Sir,

With reference to your Official Memo No.L.3220 V.P. 4-30-7 dated the 17th October 1930 forwarding extracts from the petition of Mr. B. Srinivasa Rao, Chairman of the Village Panchayet of Koppa, Maddur Taluk in regard to certain improvements to Panchayets and calling for a report thereon, I have the honour to state as follows:-

The three points referred to in the petition are concerning the District Board and therefore the President, District Board had been addressed to communicate the views of the Board. The extract from the proceedings of the District Board Meeting relating to ~~these~~ three points received with the President is herewith enclosed for kind perusal.

Item No.1:- The question of effecting repairs to the road and construction of bridge on Koppa-Maddur road across Kanehalla, have been referred by the Board to the Standing Committee.

tem No.2:- Re: apportionment of the Shandy collections at Koppa between the District Board and the Village Panchayet.

The District Board is not in favour of this. However in order to augment the resources of this Panchayet it is necessary to give half the realisations of the Shandy to the Panchayet. This is an important Panchayet and it is reported that this Panchayet can manage the affairs well. As it has not got enough of sources to increase its income to meet the growing needs the apportionment is necessary. I request you therefore that in the interest of the

Panchayet
